Microsoft Office Specialist (MOS): Office 2010 - Complete

Discover the only performance-based certification that validates the skills needed to get the most out of Microsoft Office. Whether you want to drive your career or increase your productivity on the job, earning the Microsoft Office Specialist (MOS) certification demonstrates the valuable expertise you need to succeed. Candidates who pass a certification exam show that they can meet globally recognised performance standards.

After earning an MOS certification, you receive access to the member website where you can print transcripts to demonstrate proof of certification and receive a certificate that verifies your successful completion of the exam. Additionally, professionals who earn this certification gain access to a certification logo to display on resumes and other business materials.
